MYOB Business Support

MYOB Business Support is a comprehensive support subscription that gives customers' the software, support and services they need to keep their business operating efficiently and profitably.

We recommend all customers subscribe to an MYOB support plan for year-round access to phone, email and fax technical support.

By subscribing to an MYOB Business Support plan customers also ensure they will receive any upgrade that may be released during their subscription period.

Encouraging customers' to be on the latest version is important as it ensures we can provide the right level of support, that they have access to all the latest product features and benefits as well as ensuring their products are up to date with the latest technology, because only our latest versions work with Microsoft XP and Vista.

Here is a summary of the ways in which an MYOB Business Support plan can support our customers' business:

- **Priority technical support assistance via phone, fax & email**

Subscribers are entitled to technical support assistance anytime between 9.00 am to 5.30 pm, Monday to Friday (except Public Holidays).

- **Product upgrades (not applicable to MYOB BusinessBasics)**

Subscribers are entitled to upgrades without charge if such upgrades become available during the term of their subscription.

- **Technical support notes on the website**

Access to MYOB's extensive on-line technical support notes 24 hours a day, 7 days a week.

- **Discounts on training programmes (not applicable to MYOB BusinessBasics)****

Subscribers are entitled for a 20% discount on MYOB Training courses.

** Terms and conditions apply*

***Discounts on Training is only available to Malaysia & Singapore users*
